

So Sure

Written by Eric Marshall

Bm - D - F#m - E/G#

VERSE 1

It's in the song of the pouring rain
It's in the glow of a babies' face
It's in the hush of a moonlit night
In the kiss of soil and sky

PRE

It's everywhere (your love!)
Everywhere

VERSE 2

It's in the pull at the water's edge
It's in the crush of the tears we shed
It's in the heat of the winter sun
In our souls and in our blood

I'm sure, so sure
Of your love
Sure, so sure
Of your love

VERSE 3

It's the heaven's hold in a mother's touch
Oceans' blue that hurts too much
Heartbreak in a sweet perfume
Hammer blow of a robin's tune

BRIDGE
